

BHANSALI

STAINLESS STEEL

- BRIGHT BARS
- WIRES
- PRECISION COMPONENTS

BHANSALI is a diversified business group with interests in Stainless Steel, Textiles and ABS Plastics. Under the dynamic leadership of Mr. Pukhraj Bhansali and Mr. Hiralal Bhansali, the group is growing exponentially every year.

STAINLESS STEEL MANUFACTURING

Stainless Steel Bright Bars : Bhansali Bright Bars Pvt. Ltd. is one of the leading manufacturers and exporters of Stainless Steel Bright Bars – Round, Hexagon, Square and Threaded Rods. These products are manufactured at our state-of-the-art modern plants located near Mumbai, India.

Stainless Steel Wires : Bhansali Stainless Ltd. specialises in manufacturing of Stainless Steel Wires for various Applications like Springs, Electro-polishing, Cold Heading, Nails, Ropes, Construction, Welding and other General Applications. The plant is located in central India, near Indore.

Stainless Steel Precision Components : Bhansali Precision Components is exporting precision and turned parts to various end user industries like Telecom, Electronics, Automobiles, Aviation and Defence. Our manufacturing location near Mumbai can produce highly precision parts as per customer drawings.

STAINLESS STEEL TRADING

Bhansali group is one of the largest distributors and importers for stainless steel products like Round Bars, Wire Rods, Tubes, Coils, Sheets and Fittings. Bhansali serves various customers all around India.

MILESTONES

- 1970 Started as Trader in Stainless Steel as Bhansali Metal Corporation
- 1976 Textiles and Readymade Garments Exports as United Impex India
- 1988 International Trade in Stainless Steel under Bhansali Ferromet Pvt. Ltd.
- 1989 Manufacturing of ABS Polymers – Bhansali Engineering Polymers Ltd.
- 1992 Manufacturing of Stainless Steel Bright Bars as Bhansali Bright Bars Pvt. Ltd.
- 1998 Expansion of Bright Bars Manufacturing
- 1999 ISO 9002 Certification with KPMG
- 2000 Export Excellence Award from Government of India
- 2002 Exports of Stainless Steel Components under Bhansali Precision Components
- 2002 ISO 9001-2000 certification with RW TUV
- 2003 ADW2 / PED certification with RW TUV
- 2004 Manufacturing of Stainless Steel Wire under Bhansali Stainless Ltd.
- 2005 Export Performance Certificate from Government of India
- 2008 Manufacturing of Stainless Steel Components
- 2008 Planned Trading office in Germany, Dusseldorf – Bhansali Inox GmbH
- 2008 Planned Second Plant for Bright Bars Manufacturing

PRODUCTS

STAINLESS STEEL

- BRIGHT BARS
- HEXAGONS
- SQUARES
- THREADED BARS
- WIRE RODS
- HOT ROLLED BARS
- FORGED BARS
- CNC COMPONENTS

PLANT

FACILITIES

- ANNEALING
- PICKLING
- DRAWING
- PEELING
- DECOILING
- STRAIGHTENING
- GRINDING
- POLISHING
- CUTTING
- CHAMFERING
- MACHINING
- THREADING

PRODUCTS

STAINLESS STEEL WIRE

APPLICATIONS

- SPRING WIRE
- EPQ WIRE
- NAIL WIRE
- SCRUBBER WIRE
- LASHING WIRE
- COLD HEADING WIRE
- BENDING WIRE
- ELECTRODE WIRE
- REDRAW WIRE

PLANT

FACILITIES

- SOLUTION ANNEALING
- PICKLING
- COATING
- BAKING
- STRAND ANNEALING
- DRAWING
- DECOATING
- COILING

BUSINESS AROUND THE WORLD

Bhansali has delighted customers in all regions of the World. Our products are well accepted in more than 40 Countries like...

AMERICA

Argentina-Brazil-Canada-
